UNIT TWO

Unit 2's open layout is punctuated with a striking fireplace that blends traditional with contemporary lines. It is acoustically insulated from the other units through a combination of acoustical sub-flooring, acoustical insulating batts, resilient channel ceiling suspension systems, and multiple sheetrock layers. Numerous large windows line the front and side of the living areas. The upstairs bedrooms are efficiently organized to maximize usability. Unit 2 also offers substantial additional storage under the stairs.
